

Dear Families,

2026 **Summer Registration** will be done online via Procare (see links on back page) and will open **Monday, March 30th** at 9:00 a.m.

**All families, regardless of age, will be asked to register if you plan to attend childcare during the summer months.** If you will not need summer care, but plan to return in the fall, registration for that will take place at the end of May.

Field trips (for children 4 and older,) special guests, water play days, picnics and themed activities will fill our summer days. The activity/field trip calendar is in the works. All activities are subject to change.

**IMPORTANT:**

We recognize the great expense that families incur seeking childcare services. Peace Childcare Learning Center wants to continue to provide quality care from teachers that we value and invest in. We want to continue providing meals that meet the needs of growing bodies. We want to continue to provide equipment and supplies that are needed in the daily operation of our childcare and enhance our learning environment. For all these reasons, **weekly tuition will be increasing slightly as of June 1st.** You can find the new tuition rate sheet attached. Please look closely at **changes to cost per day/1 and 4 day rates, absent days, and registration fees.**

There will be a one-time **summer activity fee for some age groups** listed on back page.

This will cover some of the cost of field trips, transportation and guests. This will be charged the week of June 1st.
