Student Internet Safety Policy

It is the policy of Peace Lutheran School to: (a) prevent user access over its computer network to, or transmissions of, inappropriate material via Internet, electronic mail, or other forms of direct electronic communications; (b) prevent unauthorized access and other unlawful online activity; (c) prevent unauthorized online disclosure, use, or dissemination of personal identification information of minors; and (d) comply with the Children's Internet Protection Act [Pub. L. No. 106-554 and 47 USC 254(h)].

Access to Inappropriate Material

1. To the extent practical, technology protection measures (or "Internet filters") shall be used to block or filter Internet, or other forms of electronic communications, access to inappropriate information.
2. Specifically, as required by the Children's Internet Protection Act, blocking shall be applied to visual depictions of material deemed obscene or child pornography, or to any material deemed harmful to minors.
3. Subject to staff supervision, technology protection measures may be disabled for adults or, in the case of minors, minimized only for bona fide research or other unlawful purposes.

Inappropriate Network Usage

1. To the extent practical, steps shall be taken to promote the safety and security of users of the Peace Lutheran School online computer network when using electronic mail, chat rooms, instant messaging, and other forms of direct electronic communications.
2. Specifically, as required by the Children's Internet Protection Act, prevention of inappropriate network usage includes: (a) unauthorized access, including so-called "hacking", and other unlawful activities; and (b) unauthorized disclosure, use, and dissemination of personal identification information regarding minors.

Education, Supervision and Monitoring

1. It shall be the responsibility of all members of the Peace Lutheran School staff to educate, supervise and monitor appropriate usage of the online computer network and access to the Internet in accordance with this policy, the Children's Internet Protection Act, the Neighborhood Children's Internet Protection Act, and the Protecting Children in the 21st Century Act.
2. Procedures for the disabling or otherwise modifying any technology protection measures shall be the responsibility of the IT director or designated representatives.
3. The IT Director or designated representatives will provide age-appropriate training for students who use Peace Lutheran School Internet facilities. The training provided will be designed to promote the Peace Lutheran School's commitment to:
 - a. The standards and acceptable use of Internet services as set in the Peace Lutheran School Internet Safety Policy.
 - b. Student safety regarding (a) safety on the Internet, (b) appropriate behavior while online, on social networking Web Sites, and in chat rooms and (c) cyberbullying awareness and response.
4. Compliance with E-rate requirements of the Children's Internet Protection Act ("CIPA")
5. Following receipt of this training, the student will acknowledge that he/she receives the training, understands it, and will follow the provisions of the district's acceptable use policies.
