## **Welcome to Peace Lutheran Ministries Church – School – Childcare**

Dear Family,

We welcome you and your child to the Peace Childcare Learning Center (CLC). We strongly believe that open communication between families and our staff is essential to fully meet your child's needs. We look forward to developing a positive relationship with you through Christ.

Peace CLC is committed to making a difference for children by providing well trained professionals and a happy, warm, educational, Christian environment to foster your child's growth and development. All staff have been chosen because of their educational qualifications, a love of young children and dedication to the Christian Faith.

Peace CLC uses a thematic approach and children's individual interest, creative curriculum and national standards to develop our classroom curriculum. Each classroom develops learning centers and activities based on the age and appropriate developmental stage levels of the children. We promote cultural diversity within our center by exposing the children to different areas of the world through creative play.

The staff of Peace Lutheran Ministries are eager to know if there are ways our programs might better serve your needs. As a family enrolled in our program, you are encouraged to observe and to participate in activities and events. If you ever have any suggestions or concerns, please feel free to talk about them openly with the staff.

Again, we welcome you and thank you for choosing Peace Childcare Learning Center. We look forward to a long and rewarding relationship. We hope you will find this handbook useful as an orientation to our policies. If you have any additional questions, please feel free to ask me.

Jenny Weyker  
Childcare Director

### **We Believe:**

- It is important for children to know Jesus loves them, is always with them and forgives them. We promote interest in the Bible through everyday activities.
- When working with children, it is important to be a partner with and supportive of the whole family, not just the child. Therefore, a loving respectful relationship between children, staff, and families is vital for success.
- It is important to provide positive guidance in helping children make smart choices by learning through play, regarding feelings and behaviors so they can develop positive self-esteem and self-control.
- Open communication between families and staff is important to effectively partner with families.
- Children need a safe, clean, healthy environment in which to learn and grow. This is why consistency and routine are important for children's growth and development.
- Academics are a vital part in the development of the whole child, including the following areas:
  - Health and Physical Development
  - Social and Emotional Development
  - Language Development and Communication

## **Fee Policy:**

Peace Childcare Learning Center is a ministry of Peace Lutheran Church. To keep our childcare fees down we depend on tuition being paid on time, so we meet our obligations. All part-time and full-time enrollments (excludes drop-in) have contracted with Peace CLC to hold a spot for your child. You are responsible to pay tuition for that spot whether your child attends or not. The person picking up will be required to identify him / herself with a picture ID before they will be able to leave with that child. Anyone picking up must be 18 years or older.
- Notification to Peace CLC is required if you are going to be delayed in picking up your child by 6:00 PM. Please see Peace CLC’s Fee Policy section of the handbook for clarification.

## **Guidance Policy:**

Peace Childcare Learning Center recognizes the diversity in each child's needs and development. Classroom arrangement and programming will be used to promote positive behavior. Teachers will use positive strategies and techniques to guide children's behavior. This may include use of encouraging statements, praise and prayer, making note of desired behavior, redirecting undesirable behavior, offering choices, setting appropriate and enforceable limits, encouraging problem-solving and allowing logical natural consequences.

Transition techniques such as finger plays, songs, or reading will be used to limit a child's wait time when moving from one activity to another. If two teachers are available, one should be engaged in an activity that keeps children's attention while the other finishes getting children ready. This may aid in preventing undesired behaviors.

A time out period may be used to interrupt a child's undesirable behavior. Time out periods may not exceed 5 minutes and will vary according to the child's age. The classroom teacher will discuss with the child the positive behavior desired. The use of punishment with children is strictly prohibited. At no time may a staff member withhold food, bathroom use or rest. Staff members are not permitted to use any form of physical punishment, including spanking. There will be no use of harsh, demeaning, or abusive language regarding children.

Further action, beyond utilizing age-appropriate teaching techniques, will be taken if a child is known to exhibit any of the following behaviors:

- Physically hurting others (ex. pinching, hitting, kicking, biting, pushing (to the ground))
- Throwing toys or furniture (with negative intention)
- More than one use of inappropriate language or touch
- Repeated refusal to travel with the class
- Unsafe actions that continue beyond a teacher's attempt at direction/redirection (ex. leaving the class, climbing indoors, frequent running or horseplay, hiding etc.)

With discretion of the Childcare Director and/or Childcare Leadership Team, further action may include and will often progress in the following order:

- writing an incident report
- logging child's undesired behavior
- a phone call to parent/guardian
- design of a Behavior Intervention Plan
- teacher and Director meeting with parent/guardian
- suspension or lessening of time in childcare/class
- termination of enrollment.

Safety is our number one concern. Peace CLC believes that parents and staff must work together to address persistent behavioral issues Children who pose a direct threat (a substantial risk of serious harm to the health and safety of others) will be excluded from Peace CLC after meeting with the Director

### Discharge from Peace CLC:

When Peace CLC cannot meet the individual needs of a child or if program policies are consistently being disregarded, the Director may immediately terminate the child's enrollment in Peace CLC.

Possible reasons for termination of enrollment:

- The child's behavior is having a negative effect on the well-being and development of other children. See list of behavior examples above.
- Parent/guardian failure to address complaints through proper procedures.
- Non-payment of tuition and fees or habitual lateness in picking up a child.
- Failure to provide the required Peace CLC forms.
- Obscene or lewd behavior or language.
- Possession of dangerous material.
- Flagrant disrespect of Peace CLC staff, Director or other individuals in the center by a child or parent/guardian.
- Theft or willful destruction of school property or the property of others.

### **Child Abuse and Neglect:**

All staff of Peace CLC including volunteers, who know or have reasonable cause to suspect that a child has been abused or neglected, shall immediately contact the Department of Social Services or a local law enforcement agency.

### **Health & Wellness Policy:**

Wellness policies at Peace CLC are designed to protect the health and safety for all participants. A child must be kept home if there is any indication that he/she is too ill to comfortably carry out the day's routine (including outside play) or has other symptoms of illness. Each child, upon arrival at Peace CLC, will be observed by a staff person for symptoms of illness and sent back home if ill.

For the health and welfare of our children, parents will be required to pick up their child if the following is displayed:

- Excessive irritability and fatigue; inability to participate in classroom activities
- Complaints of sore throat or stomachache
- Inflammation of or discharge from the eyes
- Fever of 100.4 degrees or higher
- Unexplained Rash
- Vomiting
- Diarrhea (2 or more episodes within a two hour time period)
- Persistent coughing and excessive discolored runny nose

Children may not return to the center until symptom free for 24 hours. See Vacation & Sick day policy about tuition payments. \*\*\*

Communicable diseases must be reported to the director upon confirmation so proper notification of the exposure can be given to childcare families. If a child has a communicable disease, they may return to Peace CLC only after the longest period of contagion for the disease has ended, according to the Department of Health guidelines or a statement from a physician is provided. Families will be notified of exposure through signs and information provided at the childcare table. All children's names will be confidential in this matter.

Staff members of Peace CLC may administer prescription or non-prescription medication to a child only when an authorization form is signed and dated by a guardian. The medication must be in the original container and labeled with

the child's name. The original label must include the dosage directions for administration. All medication will be kept in a locked box or cabinet in the childcare office. All medication administered will be recorded in a medication logbook.

Staff members of Peace CLC may apply sunscreen and/or insect repellent to a child only when an authorization form is signed and dated by a parent. The center will provide both sunscreen and insect repellent or the family may choose to bring their own. All bottles must be in their original containers and clearly labeled with the child's name.

### **Injury Procedures:**

Staff members will treat any minor injury obtained by a child while present at Peace CLC or on a field trip. The extent of the treatment will be soap, water, ice, bandage and TLC. Parents will be notified of the situation both verbally and in an injury form. Staff members will document the accident in the injury logbook. In the event of a serious, but non-life-threatening injury, the child's parents will be notified immediately by phone. It is then the parent's responsibility to seek medical attention of their choice. While waiting for their parent to arrive, the injured child will be made as comfortable as possible. When an injury requires professional treatment, an "Accident Report" must be filled out and sent to a Wisconsin Day Care Licensing Specialist. Once a child has been signed out at the end of their day, Peace CLC is no longer responsible for the well-being and care of that child.

### **Emergency Medical Treatment:**

The standard medical procedure for a child or adult, who requires further medical treatment or hospitalization, will be transported by ambulance from Peace CLC to Aspirus Langlade Hospital in Antigo, at the cost of the parent or guardian. In the event of a life-threatening injury to a child, 911 will be called. That child will be transported to Aspirus Langlade Hospital in Antigo. A staff member will accompany the child to the hospital. Parents will be notified immediately. A staff person or vehicle is available within 5 minutes in cases of emergency.

\*\*\*Current pandemic circumstances may change policies outside of what is listed in the handbook.

### **Allergy Aware Facility:**

Peace Lutheran School is an allergen aware facility and strives to minimize potential food allergens as much as reasonably possible. Peace Childcare Learning Center attempts to follow the guidelines set forth by PLS. If your child has an allergy, inform Childcare Director upon enrollment and complete the necessary paperwork.

### **Nutrition:**

Menus will be posted at the parent information center, online and the refrigerator in the childcare kitchen. All food is prepared in the Peace Ministries kitchen. Food is never used as a reward or punishment. Parents are always welcome to come eat lunch at the center. Please let us know ahead of time so we may tell the cook.

Cooks, staff members, and childcare workers having direct contact with children shall be informed about food allergies of specific children. Special diets may be served only upon written instruction of a child's physician and upon request of the parent.

Each classroom has an allergy list and medical board for all children in the center. All food allergies and special diets are reviewed with the center cook and a plan is posted in the center kitchen.

It is the policy of this center that food may NOT be brought in from home except in cases stated below. Oftentimes when families bring in a variety of food, nutritious food items are not brought in, and social conflicts may occur over sharing the food. Food may be brought in for the following reasons: food allergies or medical reasons or a special diet such as vegetarian or kosher. A doctor's note is required for all allergies.

All children will be offered morning breakfast, lunch, and afternoon snack every day. Meals and snacks offered at Peace CLC will meet the U.S. Department of Agriculture Child Care meal requirements. Food will be served at flexible intervals, but no child will go longer than three hours without eating. Enough food shall be prepared for each meal so that second portions of fruit, vegetables, and milk are available to children. Infants consuming (formula or breastmilk) bottles and

food other than program provided table-food (baby food) will follow a schedule lead by the infant along with parent input. Parents will be asked to provide the bottles, formula or breastmilk and baby food.

School aged children will be provided snack during the After-School Program. School aged children can purchase a lunch through the NSL program during the school day.

### **Birthday Policy:**

We understand that birthdays are a special time for our young friends and parents want to make the most of their child's day special. Each child is a blessing from God and we want to celebrate their life. Parents are more than welcome to come and join their child for lunch to help them celebrate. Age-appropriate favors such as bubbles, play-dough, etc. are perfectly acceptable to share with the classroom. No homemade treats please, prepackaged items only.

### **Sleeping and Rest Time:**

After lunch is "Quiet Time." Children lie on a cot, mat or sleeping bag and listen to story tapes or music. Children can sleep until the end of nap period. Staff will be available to "rub backs" and maintain a restful atmosphere. Children who are still awake after 30 to 40 minutes are permitted to have quiet time with activities that will not disturb other children.

Each child has their own cot or mat. Cots are disinfected after nap time and stacked. Parents can supply a small crib-size blanket for their child during rest time. This blanket will need to go home weekly to be washed and returned the following week. Please NO stuffed toys.

### **Personal Belongings:**

All children share the toys and educational materials at Peace CLC as part of their learning experience. The center has an ample supply of equipment and materials. Peace CLC cannot assume responsibility for loss or damage to any personal possessions' children bring to the site. Therefore, children are encouraged to leave their personal belongings at home or in their backpacks.

### **Inside & Outside Temperature:**

The inside temperature of Peace CLC will not be less than 67 degrees Fahrenheit. If the inside temperature exceeds 80 degrees Fahrenheit, Peace CLC will provide for air circulation using air conditioning and / or fans.

Children **over** the age of two years, will go outside daily unless the wind chill is 0 degrees Fahrenheit or below, or the temperature is above 90 degrees Fahrenheit. Parents must remember to supply their children with proper clothing for outside play, including shoes. All children will go outside for morning and afternoon play.

### **Winter Weather Policy:**

Please remember we do not follow the public school or Peace Lutheran School closings. It is important that you check for closures as follows:

- Tune into local media (television, radio) listen for an announcement about Peace Childcare Learning Center.
- Receive an e-mail or text alert informing you the childcare is closed.

We will only close Peace CLC if we feel driving conditions and safety is a concern or if a State of Emergency has been posted. Tuition payments may still apply.

## **Pet Policy:**

Peace CLC does not permit pets such as cats or dogs to stay on the premises. Acceptable classroom pets are fish, hamsters, or gerbils. Each classroom is allowed one pet at a time and the lead teacher is responsible for the daily care of the pet. Children may have supervised contact with the classroom pet and will wash hands before beginning a new activity.

## **Before/After School Activities:**

The Before/After School Program is offered to children 5-12 years old. Full-time care is available on days that school is closed for all children enrolled in this program. Enrollment paperwork is necessary for participation in our Before/After School Program. There is no drop-in care for this program. Preregistration is required for scheduled school days off.

## **Field Trip Policy:**

Field trips give children the opportunity to learn about the community. You will be notified in advance of all scheduled trips and will be responsible for signing and returning the permission slip. Supervision is provided for these excursions. An additional fee or lunch from home may be required. If for any reason your child cannot participate in a scheduled trip, please inform the teacher and keep your child at home.

Transportation for field trips may involve walking or bussing. Attendance records and child emergency information are kept with the Lead Teacher. Attendance is taken at each destination and again upon return to the site. Children are never left unattended on or near the vehicle. After exiting the bus an adult will physically walk through the vehicle to ensure all children have exited the vehicle. Child behavior on a field trip shall remain consistent with the classroom expectations, expressing Christian kindness and love toward all we meet. Any special accommodations for a child will be discussed with all parties involved including the driver, staff and volunteers.

Peace CLC will contract with Malliette Busing for transportation – 715-627-4807. The use of staff vehicles is prohibited except in an emergency.

## **Parents and Staff Communication:**

We believe families are the most significant adults in a child's life. Building a bridge between home, God, and Peace Childcare Learning Center plays a fundamental role for the children, parents, and Peace CLC staff. Parents are encouraged to visit Peace CLC throughout the year and are a valuable resource to the children and staff. We encourage you to volunteer your time by sharing your talents and abilities. Please feel free to arrange a time that works best for the children and staff to share story time, chapel time, a family tradition or joining the children for lunch. It is essential that Peace CLC staff and parents keep the lines of communication flowing.

Peace CLC will provide opportunities for discussing your child's needs/progress twice a year.

We are protecting God's very special gift at Peace Childcare Learning Center. As stated in our Mission Statement: We are followers of Jesus Christ. Our purpose is to strengthen each other in Him so that we share His love and Good News with everyone. Please display proper behavior and language when around the center.

Please check information table and board, classroom bulletin boards, newsletters, E-newsletters, Facebook page and our website [www.peaceantigo.org](http://www.peaceantigo.org) for current Peace CLC news.
